

Stay over at the Blue Train Akebono!

The popular sleeper limited express Akebono 24 series passenger car that has been connecting Ueno to Akita and Aomori for 44 years since 1970 has now released the "Blue Train Akebono" at Kosaka Railroad Rail Park as a lodging facility.

Located the former Kosaka station entrance, that maintains its Meiji-era atmosphere, the Kosaka Railroad Rail Park is a vast station where one can bask in memories from the Meiji, Taisho, and Showa era.
